

**November 9, 2017**

I am sending my congratulations to both of you on a project well done. Henry Creidy especially deserves credit for literally working miracles on the installation of our new counter in the bathroom. There were many unforeseen difficulties that made Henry's job much more difficult but he solved each and every problem with patience, integrity, discretion and extreme professionalism. I have had nightmare relationships with contractors in the past and this relationship has convinced me that when we choose a contractor we should choose Renovco. From the first day when the measurements were taken until the minute that Henry Creidy left the condominium yesterday (November 8, 2017) I was completely impressed and satisfied that I had chosen to deal with the best firm anywhere in this part of the Province of Québec. I will definitely be recommending Renovco to anyone that I know or anyone that may ever need the professional services that Renovco offers to its clients. The fact that the entire job was completed so quickly and efficiently is truly amazing. There are a lot of horror stories out there about contractors and their shortcomings. I now know that you get what you pay for and you get the best service possible from Renovco. It is reassuring to know that such a firm exists.

Thank you To All of Your Team at Renovco,

Sincerely,

*Mr. Campbell*
